WEEKLY UPDATE

8/12/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 65 residents and 34 staff members test positive for COVID-19. Weekly testing will be conducted on 8/13/2020 for all residents and all staff.

We kindly ask that family please pick up all food items and wrappers to include sun flowers seeds and soda cans at the end of their family window visits to assist with keeping the center pest free.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 915-995-7230.

Sincerely,

Nicole Andujo

WEEKLY UPDATE AND NOTIFICATION OF NEW CASE

08/28/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility as well as notification that we received confirmation yesterday of one new case. Since the onset of this virus, we have had 82 residents and 40 staff members test positive for COVID-19. Of the 82 residents that tested positive, 55 have recovered and we currently have 4 positive residents on our COVID-19 unit. Of the 40 staff members that tested positive, 36 have returned to work and 4 still remain out. Yesterday we administered tests to 12 residents and 68 staff members for our weekly staff testing.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
